

Acknowledgement of Manuscript Reviewers NWJ Volume-3 (2017)

The Editors of NanoWorld Journal (NWJ) would like to express their tremendous gratitude to all those individuals who participated in the peer review process during the preparation of this Volume-3 (2017). Many reviewers from around the world and across various disciplines provided their expert input that led to publication of the articles. The peer-reviewer's generosity, judicious judgment, and timely response substantially helped us to publish a journal that both is timely and maintains scientific standards; it is a genuine pleasure to express our deep sense of thank to all the reviewers collectively for their dedicated service.
